QUALITY SINCE 1989

Rodinná tradícia od roku 1989

Vážení zákazníci,

je mi veľkou čťou predstaviť Vám náš nový katalóg 2015 – 16, ktorý symbolicky vydávame pri príležitosti 25-teho výročia založenia našej firmy.

Nechcem, aby to znelo ako klišé, ale Tí, ktorí našu firmu dobre poznajú vedia, že našou najväčšou odmenou je Vaša spokojnosť. Preto aj tento katalóg je zosobnením našich 25 ročných skúseností a Vašich požiadaviek. Ako prvýkrát Vám ho prinášame v novom formáte A5, s cieľom zjednodušiť prehľadnosť a prácu s ním.

Prehľadné usporiadanie kapitol, oddelené umeleckými fotografiami, vykresľuje jednotlivé produktové línie výrobkov vyrábaných našou firmou. Nová produktová línia Kameň – kov vyvolala na jeseň 2014 mimoriadnu pozornosť. Novinkou v tejto kategórii je váza pod označením V54. Kolekcia kameň – kov v sebe snúbi to najlepšie z kameňa a kovu. Uľahčuje manipuláciu pri používaní a hlavne poskytuje možnosť zladenia farby kameňa lampáša s pomníkom a odtieň kovu s písmom, čím prináša novú kultúru dekorovania hrobov.

Vaše požiadavky, návrhy, ale aj pripomienky sú pre nás už dvadsaťpäť rokov zaväzujúce. Verím, že aj mnohé novinky, ktoré prinášame, budú pozitívnou odpoveďou pre udržanie si Vašej dôvery.

Dear Customer,

It is my great honour and pleasure to introduce you our new catalogue 2015–16, which we symbolically published on the occasion of the 25th anniversary of our company.

I do not want it to sound like a cliché, but those who are familiar with our company know that our greatest reward is your satisfaction. Therefore, this catalogue is the embodiment of our 25 years of experience and your requirements. It is the first time we are bringing it to you in a new format A5 in order to facilitate transparency and make work easier with it.

Clearly arranged chapters, separated by artistic photographs, depict various product lines manufactured by our company. The new product line Stone – Metal drew particular attention in the autumn of 2014. A novelty in this category is a vase designated V54. The Collection Stone – Metal combines the best of stone and metal. Not only it makes use and operation easier but also enables you to match the colour of the stone components of a lantern with the monument and the shade of metal with lettering, thus bringing a new culture into grave decoration and accessories.

Your requirements, suggestions, as well as comments have been of most importance to us for twenty-five years. I believe these innovations are a positive response to your trust and will help us to maintain it.

Miloš Višňovský
